Spring 2024 Land Development Code Amendments & Schedule
Updated April 18, 2024

For Spring 2024, City Council will consider a transit-support package to support the Project Connect Federal Transit Administration application as well as a continuation of the HOME Initiative. The [Land Development Code \(LDC\) Amendments](#) for this spring include:

- Home Initiative – Phase 2
- Citywide Compatibility
- ETOD Overlays
- South Central Waterfront Combining District & Density Bonus Program
- EV Charging

In addition to the planning staff's standard work plan and the other code amendments initiated by the City Council (as outlined on the [LDC Gantt Chart](#)), staff has prepared a prescribed schedule for the transit-support and HOME amendments, as well as regularly scheduled meetings that will require staff attention, from now through the end of May 2024. Two additional community Open House meetings are being planned to occur in May, one in East Austin and one in West Austin.
