

Grease Trap (GT) and Grease Interceptor (GI) Manufacturer's List

Austin Water's Office of Industrial Waste (IW) modified its grease interceptor policies in March 2021. **Please reference IW's grease interceptor design criteria at:**
<https://www.austintexas.gov/department/design-criteria-grease-interceptors>.

Do not purchase a grease interceptor without obtaining a building plan approval including an Industrial Waste approval letter specifying the size and design of the interceptor that will be required. Purchasing an interceptor prior to IW approval exposes the purchaser to risk of rejection and replacement costs.

The manufacturers listed below have models which meet IW's requirements:

Engineered or Concrete Gravity Grease Interceptors (GGI)

Manufacturer*	Brand	Model(s)	Website
ParkUSA	GTF-AG or GTF-BG	GTFA-500 to GTFA-2000+ GTF-500 to GTF-2000+	parkusa.com
	GTA	GTA-500 to GTA-2000+	
	GTSA	GTSA-500 to GTSA-2000+	
	GTS	GTS-500 to GTS-2000+	
Capital Concrete Products	NA	500 gallons to 1750 gallons	capitalconcreteproducts.com
Capital Precast, Inc.	NA	250 gallons to 1750 gallons+	capitalprecastinc.com
Wallis Concrete	NA	500 gallons to 1500 gallons**	wallisconcrete.com
Shawcor	XERXES	GI-4-500-UPC to GI-4-1250-UPC	shawcor.com
Zurn Green Turtle	Proceptor	GMC 500 UPC to GMC 2000 UPC+	zurn.com
MIFAB	SuperMax	SUPER-500 to SUPER-2000	mifab.com
NC Pipe Precast Products	NA	Austin Style 250-2000+	ncpipe.com

* IW does not endorse specific manufacturers or models. The manufacturers listed meet Austin Water's requirements.

**Purchaser must request alternate inlet and outlet. Other models shall not be approved.

+ Manufacturer has models larger than 2000 gallons, as needed.

Hydromechanical Grease Interceptors (HGI)

HGIs will be sized per IWs sizing criteria, by calculating a minimum liquid holding capacity. Further information on sizing criteria can be found at: <https://austintexas.gov/department/grease-trap-sizing-criteria>.

Manufacturer*	Brand	Model(s)**	Website
Endura (Canplas)	EnduraXL	4075A04 and 40100A04	canplas.com/endura
Schier	Great Basin	GB-75, GB-250, GB-250-B, GB-500-B, GB-1500	schierproducts.com
Mifab	BigMax	BIG-750 and BIG-1150	mifab.com
	SuperMax	SUPER-500 to SUPER-2000	

* IW does not endorse specific manufacturers or models. The manufacturers listed meet Austin Water's requirements.

Please contact Austin Water Industrial Waste if you meet IW's design requirements and would like to be added to this list:
