STEPS

Austin Water's Online Plan Review Process

Austin Water has an improved tap plan review experience via the **Austin Build + Connect** (AB+C) Portal. All Austin Water Engineered Tap Plans and Water Meter Upgrade applications are now available via the AB+C Portal.

STEP 1

Create an account [Austin Build + Connect](#) (AB+C)

STEP 2

Click on “**Apply for Permit /Cases**”

STEP 3

Select “**Review of Engineered Tap Plans and Water Meter Upgrade**”

STEP 4

Select the application type you are looking for

STEP 5

Follow the prompts to complete your application

STEP 6

Submit additional information, payment, revisions, or corrections by logging into your AB +C Account and selecting “**My Permit/Cases**” or “**My Bills**”

STEP 7

Follow the prompts to pay, submit revision, or corrections

STEP 8

Need more information?
Access Austin Water's **AB+C User Guide**
