## Watershed Protection Development Review

Watershed Protection & Development Review Department, The City of Austin produced this map for the sole purpose of use as a work resource and as an estimated boundary of landfills in & around Austin. The City of Austin does not warrant the map &/or information regarding its accuracy or completeness. Reproduction is not permitted without permission from the City of Austin-Watershed Protection & Development Review Department.

Date: 09.20.2006

## #29,WILD BASIN

**Location:** The Wild Basin landfill is owned by the Committee for Wild Basin, and is located on the east side of Loop 360, at 1000 Loop 360.

**Extent:** The landfill is located along the northern side of the entrance road to the park, beginning at the edge of the Hwy 360 right-of-way and extending approximately 600 feet along the entrance road

**Prior Use:** No information available

**Groundwater:** No streams or ponds were observed on or adjacent to the landfill area. However, runoff from the landfill area will flow northward approximately 300 feet to an unnamed tributary of Bee Creek.

**Current Conditions:** This site does not appear to pose a material concern to human health or the environment, or represent a regulatory violation.

**Reference:** Information in this fact sheet comes from the following:
